WHAT SOME OF OUR CLIENTS THINK!

Paul and I have been working together on franchise recruitment marketing for nearly a year now - I am always enthused by Paul's passion, flare and upbeat determination towards all tasks. Paul leaves no stone unturned. He is a pleasure to work with.

William Hickman, United Carpets Marketing Director

I worked with Paul Davies during his time working as Franchise Development Manager at Ben & Jerry's. Paul provided key insight and drive into franchise recruitment. He was always careful to work ethically and within BFA guidelines, with careful stewardship in mind and a genuine consideration of the long-term relationship between franchisee and franchisor. Paul's mature and professional manner helped the company achieve its expansion targets and gained great respect from the team for his efforts. I would recommend Paul Davies and Brand Mark Franchising to any aspiring franchisor, or existing franchise that wants to perform better.

H
Heavenly Desserts

CASE STUDY 1

Heavenly Desserts (HD) have been a long-term client of Brand Mark Franchising (BMF), working exclusively with Paul Davies. The relationship began in late 2015 when HD had 3 corporate stores and decided they wanted to franchise. HD interviewed six consultants and chose BMF because of our flexibility, varied F & B clients to date, all-around franchise expertise, and passion for 'doing it right'.

Project outline

To create a Heavenly Desserts franchise. To initially create a full package of the highest quality franchise 'collateral', namely legal, marketing, manuals, territory mapping and the creation of a compelling financial model. To then create a franchisee recruitment process which would help HD meet their plans to introduce quality franchisees into the system.

Project outcomes

Full and stunning collateral package produced on time and in-budget, currently in use; BMF, have steered the way to creating a compelling offer which is now 'out there' attracting huge national and international interest and conversion;

A mutually agreed and cautious development plan has been agreed and a conservative number of these will open in 2017, followed in subsequent years by carefully monitored, increased and sustainable growth.

Plans are in place for international development in 2018, after UK consolidation. Much interest has been expressed as far away as South Africa and the Far east, as well as the Middle East and Europe.

A number of exciting new innovations have been agreed for release in 2017 and 2018, none of which can be released here...

As an established and successful business, we were in need of steer on how to successfully set up our franchise model, to be in line with the BFA code of ethics. After meeting with several different companies with consultants we at Heavenly Desserts decided to appoint the services of Paul Davies at Brand Mark Franchising as our Franchise Director. Paul comes with a great deal of franchising knowledge and experience, having worked alongside some very reputable international companies. Heavenly Desserts have benefited greatly from Paul's experience and guidance in setting up our franchise model as he provides a holistic approach and is understanding towards the needs of our business and certainly provides a very professional service. I would recommend Paul at Brand Mark Franchising to anybody who is considering franchising their business'.

THE ITALIAN WINE CAFE

CASE STUDY 2

Veeno Wine Cafés Are an Italian brand from Milan who have eight corporate-owned and operated 'wine cafés' in the UK. After extensive consultations, Veeno asked Brand Mark Franchising to steer them towards the creation of a unique franchise model in the UK, The remit also includes a longer-term plan for international development.

Veeno - The Italian Wine Cafè exports the Italian culture of "aperitivo": drinking high-quality wine while tasting good food with friends and family in the warm and welcoming atmosphere of the store. The Veeno franchise ambition is to create the first Italian Wine Café network across the UK, becoming a market leader along with its partners.

Project outline

To create a UK based franchise to include a convincing financial model with a binary franchise offering of JV and full ownership. To work with their in-house team, to create a complimentary collateral portfolio including a stunning, contemporary marketing package, full legal bundle etc.; basically, all that was needed to fulfill their plans for the UK and international development. Finally, to deliver on agreed franchise growth targets by taking the helm of the recruitment processes and execution of sales.

Project outcome

The set-up phase of creation and production of the entire collateral package was produced on time and on budget;
Recruitment is underway on schedule, with significant interest;
First franchise sites are opening in late 2016 and early 2017; ahead of initial time expectations;
A warm, mutually respectful relationship is now maturing between Veeno and Brand Mark Franchising. National and International development well underway.

Brand Mark Franchising has substantially helped our transition into the UK from Italy. Paul has always been available to help smooth out our entry into the franchise sector, is very well informed of the correct process and works to extremely high standards.

SIZE DOESN'T MATTER

Our services and affiliates allow us to work with both large and small brands. No brand is too large or too small. Whilst working with United Carpets, we helped them grow their business from 40-85 franchisees and we helped Perfect Pizza recruit and open 10 new stores per year.

We aim to help successful businesses expand across the country; we know that the best way to do this is often through franchising. There's nothing more rewarding than sharing your business model with others and watching them thrive. We can take your business model however small or embryonic (as long as it's viable) and help you turn it into a successful franchise. We have a range of experience across industry and sector so we've got something for everyone.

We have helped setup and develop a number of startup brands, working within such diverse fields such as Italian Wine Cafés, quality Dessert Cafés, Musical Therapy, Health and Safety franchise, Kiddies swimming school and more besides.
